2020 INTERNATIONAL USER GROUP CONFERENCE

QEI would first like to wish everyone well wishes in hopes that you and your family are doing well during these stressful times.

Despite a GREAT Agenda, New Product Announcements, a newly formatted training schedule, the challenges of recovering from COVID-19 continue. After a very long strenuous ordeal, self-isolation, the priority of getting our home lives back in order, catching-up on the many work tasks and being with friends and family, the idea of traveling away from home for a week did not make sense to our thinking.

It is therefore, with our sincerest regret, QEI will be canceling this year's 2020 International User Group Conference. We trust all will understand. We will be back hosting the 2021 Conference which will be better than ever!

We would ask everyone to keep an eye on our email campaign flyers giving you up-to-date information on Products, Applications, Customer Service QTips, free Webinar Training Sessions and other topics of interest. If you or your colleagues are not receiving these emails and would like to, please contact Dan Flanagan at 973-346-5266, or dflanagan@qeiinc.com who will get you on the mailing list.

Stay Safe, Healthy and Enjoy the rest of 2020, See you soon!

Sincerely,

Normand N. Lavoie
President
